Sportsmen desiring "hunting grounds" will never see the like of this again.

In the event that this piece of property does not bring enough to pay the hereinafter-named debt, then I will withdraw the "marsh property" and sell "TOCO-MON FARM" as a whole, including marsh land, estimated to contain 1,640 acres, bounded on the southwest by the Pamunkey river, and on the northeast by the public road leading from Sweet Hall to West Point. This is one of the most valuable farms in King William county, and has upon it valuable improvements. Especial attention is called to this saic, for this corner is the best location in Jackson Ward for a grocery. The corner house could be remodelled for a store at very little cost, or a good store-room could be be erected on the side of it.

By virtue of the above decree and as special commissioners therein appointed, we will proceed to sell at public auction, on the premises, on SATURDAY, APRIL 24, 1897.

MONDAY, APRIL 28, 1887,

beginning at 4 o'clock P. M., with the VALUABLE CORNER-STORE PROPERTY northwest corner Twenty-ninth and Leigh streets, fronting 54:2 feet on Twenty-ninth street and 60 feet on Leigh street, and having thereon THREE BRICK DWELLINGS.

At 4:30 o'clock, the TWO BRICK TENEMENT-DWELLINGS, Nos. 236 and 233 Venable street, with lot 357x150 feet.

At 5 o'clock the VERY DESIRABLE SMALL FRAME DWELLING of three rooms on the west side of Pink street, just north of Venable street.

At same hour the VERY DESIRABLE VACANT LOT 85x67 feet on east side of Pink street between Venable and Carrington streets.

At same hour the VACANT LOT, 65x100 feet, on the south side of Carrington street, just east of Pink street—just the place for small dwell ngs, and IMME-DIATELY THEREAFTER a very conveniently-located VACANT LOT, 45x86 feet, on east side of Twenty-second street near Carrington street, and fronting street-car line.

At 5:30 o'clock the VERY ATTRACTIVE AND DESIRABLY - LOCATED with lot 30x87 feet, at the northeast corner of Twenty-fourth and Carrington streets. It is a snug little home for a person of moderate means.

Immediately thereafter, at 6 o'clock P. M. the TWO VERY DESIRABLE FRAME DWELLINGS on the east side of Mosby street, or Mechanicsville turnpike, corner Carrington street, and fronting 65x140 feet on said Mosby street. They are most comfortable dwellings, rented to good tenants; but at small expense the corner can be made a most valuable store.

This is a rare chance for persons of small means to safely invest their savings, whether it be for home or investment, and all persons interested should be sure to attend these sales, as we expect to sell the property at a great sacrifice.

TERMS: One fourth cash; balance six, twelve, eighteen, and twenty-four months. SATURDAY. APRIL 24, 1897,

1:30 P. M.,

the above VALUABLE BUSINESS PROPERTY, situated on the east line of Twelfth street between Main and Cary streets, fronting thereon forty-one feet two inches (41 feet 2 inches), and running back eastwardly between parallel lines one hundred and eighty feet six inches (180 feet 6 inches), more or less.

This desirable property is separaled from adjoining stores by wide alleys—that on the north being 21 feet wide—and the other (on the south) 19 feet wide—thus affording unusual facilities for any commercial or manufacturing business.

The improvements are large and substantial, and consist of large briek buildings lately used by the Old Dominion Cake and Cracker-Works, and stores Nos. Il and 13, the upper portion being divided into compartments adapted to offices, etc.

TERMS: Cash as to expenses of sale, to pay the State and city taxes now due and the sum of \$10,000, with interest thereon from Determber 23, 1836, until paid, and the titles to be retained until the whole purchase money is paid.
